Fountain District Opportunity Site

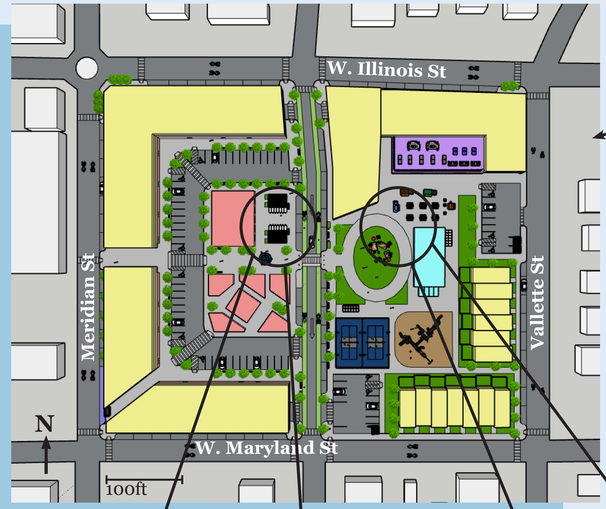
2814 Meridian St. Bellingham WA, 98225
Parcel Number: 380319027250
Parcel Size: 196,140 sqft
Zone: Commercial Core

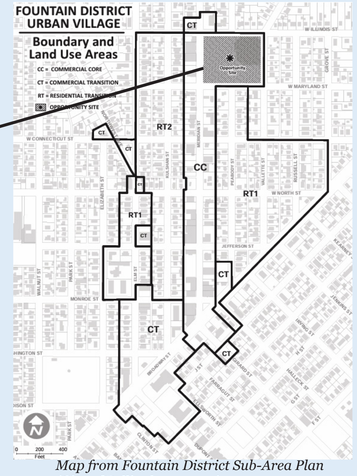
The site has been identified as an opportunity site since it is currently a Haggen grocery store and a large under-utilized parking lot. Peabody street is currently a fire access rode, but this design will reopen Peadbody Street as a one-way street with two-direction bike lanes.
The proposed site is intended to serve as a focal point for the fountain district and emphasizes community gathering spaces and cyclist and pedestrian access. Biking and walking to the site is encouraged through the use of wide sidewalks, dedicated bike lanes on Peabody St, and plenty of bike parking. However, there is still plenty of car parking provided in the parking lots, street parking and a parking garage with three access points off of Peabody St. The development is most dense along Meridian St and Illinois St whereas the development along Vallette St and W. Maryland St is mostly townhomes to fit in with the existing neighborhood.

KEY

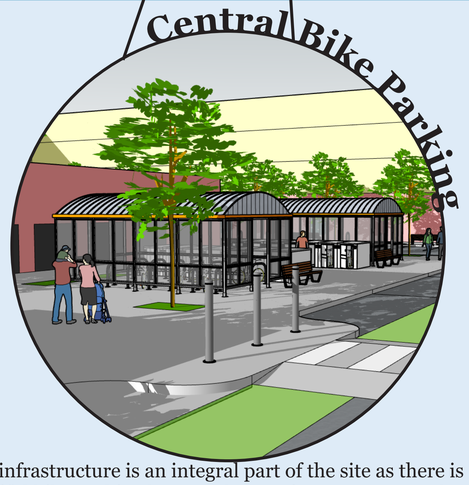
- Residential
- Commercial
- Grocery Store
- Green Space
- Sidewalks
- Dedicated Bike Lane
- Roads
- Covered Picnic Area
- Pickle-ball Courts
- Playground

2D Site Layout

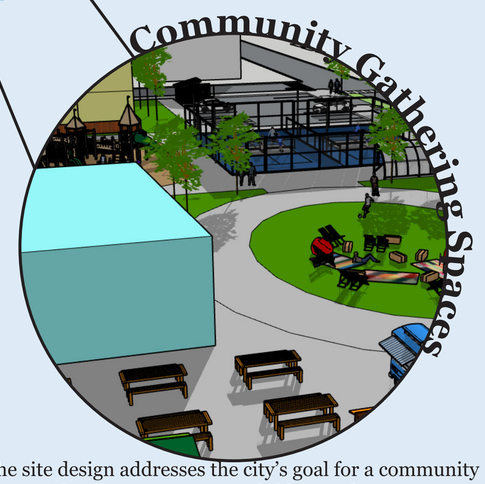




Map from Fountain District Sub-Area Plan (City of Bellingham, 2010)



Bike infrastructure is an integral part of the site as there is plentiful bike parking beyond the requirements across the entire site. The majority of the bike parking is covered to encourage biking to the site regardless of the weather.



The site design addresses the city's goal for a community plaza with a large grassy area, children's play area, a covered picnic area and food-truck plaza. The walkways are also extra wide to accommodate stalls for a market.

FAR: 1.38
Total Lot Size: 196,140 sqft
Gross Floor Area: 270,691 sqft
Total Commercial Space: 75,360 sqft
Total Residential Space: 195,331 sqft

Unit Breakdown:

- Studios (500 sqft): 35
- 1 Bedroom (950 sqft): 50
- 2 Bedroom (1000 sqft): 66
- 3 Bedroom (1200 sqft): 28
- 4 Bedroom (1500 sqft): 4
- Townhomes (1800 sqft): 13

Vehicle Parking:

Total: 205 (50% reduction)
Street Parking: 64
Pull-in Spots: 55
Above-ground Accessible Parking: 11
Underground Parking: 75

Bike Parking:

Total Required: 151
Total Provided: 260
Covered Spaces: 184
